

FOR IMMEDIATE RELEASE

The family of Kelley Stage Clayton wishes to sincerely express their heart-felt gratitude for the overwhelming love and support shown to them in the wake of the recent unspeakable tragedy. Kelley's sister and brother-in-law, who now have custody of Kelley's children, Charlie and Cullen, are humbled by the outpouring of generosity by our community in support of these innocent children. The donations to the "Go Fund Me" account continue to pour in, which donations will be used to help raise Charlie and Cullen. A formal irrevocable Trust has recently been created for the purpose of providing a legal document and account to receive donations and oversee the distribution of the funds for the children's health, education, support and maintenance. The Trust is governed by three volunteer Trustees who are independent, local professionals, and the children are its sole beneficiaries. The Go Fund Me account will soon be closed, and the proceeds added to the Trust. Those wishing to make further contributions for the benefit of Charlie and Cullen are encouraged to do so by making checks payable to "The Charlie & Cullen Irrevocable Family Trust", and delivering them to Chemung Canal Trust Company, One Chemung Canal Plaza, Elmira, New York 14901. Kelley's family sends their love and gratitude for all of the thoughts, prayers and financial support given to them during this very difficult time.
